

Children's Hospices Across Scotland

Volunteering with CHAS is a great way of meeting new people, making some new friends and getting to know the area.

Our children's hospice, Rachel House, located in Kinross is a place full of warmth and love providing respite and end of life care to families at their time of need.

If you can give just a little of your time we're sure you'll find it a rewarding experience. We have a variety of volunteer roles for you to get involved with:

- At Rachel House the kitchen is the heart of our 'home' where families and staff gather to relax and enjoy a cuppa or a home cooked meal. Volunteers are an essential part of our catering team.
- Housekeeping Volunteers support our housekeeping team to make Rachel House a welcoming 'home from home'.
- As a Garden Volunteer you will help to make our gardens beautiful, relaxing and fun spaces for our children and families to enjoy.

To get more information on the many roles we have available please contact the Volunteering Team at www.chas.org.uk or call 01577 865777.

We would love to hear from you!
