

# Let's Talk

We would like to hear from you!

- What would help you to keep well?
- How do you find information about what's going on?
- Do you feel you get enough support?

The Community Engagement Team supports the Perth & Kinross Health & Social Care Partnership.

To help us understand if things could be better for you, we would like to talk to you. Please call us to arrange a chat over the phone or a visit.

What is Community  
Engagement?

"Connecting  
Communities, Health  
& Services for  
better wellbeing"

# The Perth & Kinross Health & Social Care Partnership

## Key messages:

- Delivering services with communities in new ways
- Supporting people to lead active, independent and healthy lives in their own communities
- Early Intervention - making it possible for people to receive the right care at the right time and in the right place
- Need for Community Input - we need to build strong, compassionate communities which offer support and companionship
- Personal Responsibility - giving people the information and support they need to manage their own health and wellbeing effectively.

We would like to hear from you and if  
you would like to be more involved
